*Administrative Care
Coordination Unit
(ACCU)*

The Harford County Health Department's Administrative Care Coordination Unit serves as a resource for information and care coordination for Medicaid and Maryland Children's Health Plan recipients in order to enhance their access to Medicaid services. The unit also assists recipient's by helping them resolve problems they are having with their Medicaid insurance.

Goals

- To improve birth outcomes for Medicaid eligible women and reduce infant mortality.
- To educate families regarding services offered through the Medicaid system.
- To inform families with children, the importance of preventive health care. Including but not limited to lead screening, immunization and dental care.
- To educate adults regarding the importance of preventive services to include:
 - Self-referral services
 - Access to substance abuse/behavior health services

Services

- Access necessary and appropriate medical care.
- Navigate the health choice system.
- Assistance with choosing a provider:
 - Primary Care
 - Pediatric
 - Dental
 - OB/GYN
- Education regarding services offered through Medicaid insurance.
- Assistance with choosing a Managed Care Organization (MCO).
