What is CC+?

Care Coordination Plus is a program that helps you receive the care you need.

Our care coordinator is a nurse that can assist you with meeting your health care needs.

Our care coordinator works with the Comprehensive Care Center, UCMC/HMH, community agencies and provides community resources to help you receive the care you need.

Services

What can you expect from your Care Coordinator?

Facilitate access to care by connecting individuals to health insurance coverage and clinical services.

- Assistance in navigating your insurance benefits.
- Clinical safety net services including linkage to various community resources.
- Partner with community agencies to help you coordinate services.
- Help you access community mental health services.
- A friendly professional to help you meet your healthcare needs.
- Partner with UCMC/HMH and the Comprehensive Care Center to help you meet your healthcare needs.
