WHO WE ARE

The Harford County Health Department Dental Clinic strives to improve the oral health of children and pregnant women in Harford County through both restorative and preventative care.

WHO WE SERVE

The Harford County Health Department Dental Clinic serves children ages 1—20 (and up to age 21 for the special needs population), who are enrolled in the Maryland Children’s Health Program. The clinic also serves pregnant women enrolled in the Medical Assistance program. The dental clinic enables children and pregnant women to obtain proper dental care.

WHAT WE DO

The Harford County Health Department Dental Clinic provides the following comprehensive dental services:

Dental Hygiene Care:

- Cleanings
- X-Rays
- Fluoride
- Sealants
- Oral hygiene instruction
- Nutritional education

Dental Care:

- Restorations (fillings)
- Extractions
- Root Canals
- Crowns
- Space maintainers for missing primary (baby) teeth
- Referrals for specialty care when deemed necessary

The Harford County Health Department Dental Clinic is also committed to treating same-day dental emergencies involving infection and trauma.

OUR STAFF

The Harford County Health Department Dental Clinic has a dedicated staff of professional dentists, dental hygienists, dental assistants, and front desk secretaries.

The Harford County Health Department Dental Clinic has established successful partnerships with the Harford County Dental Hygiene & Dental Societies, Harford County Government, Harford County Public Schools, local dentists, and many other community service agencies.

LOCATION

The Harford County Health Department Dental Clinic is conveniently located in the Edgewood Plaza Shopping Center in Edgewood across from the Edgewood Public Library. The shopping center is a designated intra-county bus stop along the well traveled Route 40 corridor that extends from Havre de Grace to Edgewood.
