## Women's Wellness

### WHO WE ARE

Women's Wellness at Woodbridge is a service of the Harford County Health Department. Staffing is provided by physicians, certified nurse practitioners, registered nurses and ancillary medical and clerical personnel.

### WHAT WE DO

Women's Wellness at Woodbridge  
Gynecological exams, including:

- Breast exams
- Pap smear testing
- STD testing and treatment
- HIV counseling and testing
- Birth control options education and supplies
- Reproductive and preventive health education
- Colposcopy services for Women's Wellness clients needing follow-up of abnormal Pap smears

### REFERRALS AND LINKAGES WITH COMMUNITY RESOURCES

Sterilization

Vasectomy

Prenatal Care

Addictions and Mental Health Counseling and Treatment

Smoking Cessation

Primary Health Care

Dental

Family Planning cards and Medical Assistance, Blue Cross Blue Shield and some other insurances accepted.

No insurance necessary. Charges are based on a sliding fee scale based on income and family size.

(Income verification is required)

No one is denied for inability to pay

### Pregnancy Testing Services

- Free urine pregnancy testing
- Options counseling
- Preconception health counseling

### Emergency Contraception (EC)

Emergency Contraception is a safe and effective method of birth control that prevents pregnancy after unprotected intercourse.

EC is most effective when taken within 5 days of unprotected intercourse.

EC is **not** an abortion pill. It will not end a pregnancy that is already established.
