Intake Procedure

The HCHD's Division of Behavioral Health provides intakes on a first come, first served basis.

- Walk-in intakes are available Monday thru Friday starting at 8:00 am.
 - Intake slots fill up fast, so it is important to arrive as early as possible.
 - The Division prioritizes care for individuals who are pregnant, HIV positive, recently released from the hospital or detention and those who are IV drug users.
 - The intake process lasts for at least two hours and includes a monitored urine screen.
 - Please bring your insurance card and ID.
 - If needed, trained staff can assist you with applying for health insurance.
