Expanded Administrative Care Coordination (EACC)

The Harford County Health Department Expanded Administrative Care Coordination Unit serves as a resource for information and care coordination for pregnant and postpartum women and children under two years of age.

Information is provided to the Medicaid recipients in order to enhance their access to Medicaid services. The EACC also assists recipient's by helping them resolve problems they are having with their Medicaid insurance.

Goals

- To improve birth outcomes for Medicaid eligible women and reduce infant mortality.
- To educate pregnant and post partum women regarding services offered through the Medicaid system.
- To inform pregnant and post partum women the importance of preventive health care. Including but not limited to lead screening, immunization and dental care.
- To educate pregnant and post partum women regarding the importance of preventive services to include:
 - Self-referral services
 - Access to substance abuse/

Services

- Access necessary and appropriate medical care.
- Navigate the health choice system.
- Assistance with choosing a provider:
 - Primary Care
 - Pediatric
 - Dental
 - OB/GYN
- Education regarding services offered through Medicaid insurance.
- Assistance with choosing a Managed Care Organization (MCO).
