

Harford County Health Department Cancer Prevention Program

**This program offers no cost:
Colonoscopies • Low-dose CT's (lung)**

You may be eligible if you:

- Are a current Maryland resident
- Have a limited income
- Are 45 – 75 years (Colorectal screening)
- Are 50 – 80 years (Lung screening)
- Are uninsured or underinsured
- Need help with copays and deductibles for colonoscopies
- Lung screening only – Have at least a 20 pack year smoking history

Cancer Screening Saves Lives

- 30–50% of all cancer cases are preventable
- Cancer screening can either prevent cancer or catch it at an earlier, more treatable stage
